Cat Toy

PBS KIDS GO!

Fetch! with Ruff Ruffman™

After a day fetching for Ruff, Blossom relaxes with a good cat toy. Here's how to make Blossom's favorite:

What you need:

Old sock

Catnip

Uncooked rice (optional)

What to do:

1. Make sure you have a sock that no one wants to wear anymore but that doesn't have holes in it.

2. Put some catnip in the sock and push it down to the toe. If you want to use less catnip, put the uncooked rice in the toe of the sock together with the catnip. That makes the toy bigger without making the catnip too strong for your cat.

3. Tie a knot in the sock just above where the catnip is. Make sure you pull it tight so nothing falls out.

4. Give it to your cat and see what she does! Go, kitty, go!
